

EVOLVE 2033

Pledge Certificate

This certifies that
South Hemp Tecno
has taken a significant step towards a cleaner, greener future by
pledging support to the EVOLVE 2033 Initiative.

South Hemp Tecno pledges to "purchase and utilise industrial hemp-based production where economically possible," thereby supporting farmers and manufacturers in their transition to hemp-based materials.

By signing the EVOLVE 2033 pledge, South Hemp Tecno demonstrates a commitment to environmental stewardship and corporate responsibility. This pledge not only assures farmers and manufacturers of a reliable market for their materials but also positions South Hemp Tecno as a pioneer in sustainable practices.
